Dear Praying Friends,

We would like to share with you the blessings of God upon our ministries. Our churches are doing well. We have had hundreds saved in our open air meetings. And our Christian school is in it's fall semester. May Christ be magnified

Our Main Church

We are seeing the glorious results of the Youth Conference we attended in the summer. Many more teens have been coming to our Saturday soul-winning. So we have started having teen games afterward. As a result, more teens have gotten involved with our Saturday activities.

Open-Air Meeting

We have also been going to new areas to have our open-air meetings. Our church members of all ages get involved with this ministry. These meetings include Bible memorization, teaching, competitions, and a salvation sermon. These meetings are a good way of canvassing new areas for our churches. New and old members participate, giving them a chance to serve and work in the ministry.

Our music ministry has also been growing. Several more church members are also now involved in our church music. We have started another guitar class, and classes for other instruments. Many are now learning piano, violin, and wind instruments.

Our Fall semester is underway in our Christian school. My wife is the main teacher, with other ladies from our church helping her. Several students from our school have continued on to Bible College, where they are now preparing for full time Christian service.

Please pray for us as we strive to make a difference in the lives of these precious people. My wife and I have been doing a lot of one-on-one counseling. We are trying to untangle the strands of their lives. As for the young people, we are leading them in the way to do it right the first time. Pray for more workers for our ministry. Pray for us as we train the people God has given us, but we also plead for more ready to serve people to come and help us. We are praying for you.
