PRAYER LETTER FOR APRIL-MAY 2024 Up-to-Date as of June 10th

**Support Address: FBMI, Missionary #68 Robert Wilson,
507 State Street, Hammond, IN, 46320**

Dear Praying Friends,

We praise God for the work He is doing here for us, in us, and through us. To His glory, since our last letter we have had dozens saved in our church ministries, and our four churches keep thriving. We also have many more people involved, helping us to reach out into more areas. Glory to God!

I had mentioned a man Diego from our church who is planning to start a church here in Guadalajara. I met him when he was only 11 years old. His family has faithfully been attending our church for 19 years! He will be getting married in August. He is currently in Panama on a mission's trip. When he returns, we will be having some big outreach campaigns.

It is good to have four of our Bible College students home for the summer, including my son. They are helping out with the ministries here, and encouraging the other young people. If you would like to sponsor a college student for a month of full time soul-winning, please let us know. We would be paying them 65 USD per week.

Witnessing to a Visitor

Our Second Church

I will update you on our second church that I pastor up in the mountains. We have had a special emphasis the last month for attendance there. Last month in our new church, we had 21 visitors come to the services aside from the regular members. On Wednesdays, my wife, daughters and others have been going to the public school to invite families waiting for their children. Surprisingly, they get out of school just in time for our Wednesday service. They have had 13 visitors come from their outreach at the school recently.

We are still saving up for a four cylinder vehicle. We only own vans and gas here is 5 dollar per gallon. We still need 8,500 USD to reach our goal. Thank you to all who have been able to give toward this need already!

We are busy preparing for our Mission's Conference next month. Our theme is "Sent". What a blessing to see our people not only burdened for their country, but also for the world! We have one young lady from our church serving in Thailand, and one of our college students considering being a missionary. It is wonderful to see the world vision our members are obtaining.

Please continue to pray with us for laborers. The harvest truly is plenteous. Also continue to pray for God's protection for our family. We are praying for you.
