PRAYER LETTER FOR OCTOBER-NOVEMBER 2024 Up-to-Date as of December 9th

**Support Address: FBMI, Missionary #68 Robert Wilson,
507 State Street, Hammond, IN, 46320**

Dear Praying Friends,

We invite you to join us in praise for fruit that will abound to your account. Our four churches are marching along, and we are seeing souls saved, lives changed and new people getting involved. We are also wanting to start some van routes in some new areas and are praying for power over the demonic forces holding these areas.

In October, I performed the wedding of one of our dear couples: Martin and Nancy Guerrero. I met Martin while out soul-winning not too far from our church. Martin started attending our services, and I started discipling him one on one. Martin had been living with his girlfriend and told me he wanted to make things right. We scheduled a lovely wedding for them, and I was privileged to perform the ceremony. This has been a beautiful love story we have watched unfold before our eyes.

One of Our Workers in a Very Poor Area

We are planning a special Christmas service for December 22nd. We want to bring in many new families to our main church. We will be reaching out to many needy areas with our routes. We will be giving away toys and bags of groceries in the service. We will also be serving a large meal. Our main goal is to bring them in the hear the Gospel. Psalm 41:1, "*Blessed is he that considereth the poor: the Lord will deliver him in time of trouble.*"

Romans 13:7, "*Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; fear to whom fear; honour to whom honour.*" We also thank God for the many faithful workers he has raised up in our churches. One of our faithful workers was Brother Antonio Cobos. He was a retired Pastor, whose heart was knit with mine. He helped on my route, taught a teen boys Sunday School class, and preached in the church some. Pastor Cobos has reenlisted as a Pastor. He is now pastoring about half an hour from me. He has a lot of health issues but he is determined to build his church. He is an inspiration to all of us.

Other workers are laymen, and many have been trained by our family personally. They help with soul-winning, picking up the routes, visitation, and teaching. Some of our young people are currently in Bible college preparing for the ministry, including my son Robert. Two of our men have started churches here in our city. The goal of the foreign missionary is to inspire the people to reach their own, and we are encouraged to see them accomplishing this!

We thank those who have contributed to our need of a 4 cylinder vehicle. We are a lot closer to our goal. Also continue to pray for God's blessings upon our ministry as we continue to add fruit that may about to your account. We are praying for you.

Sincerely,

Robert Wilson
