PRAYER LETTER FOR FEBRUARY-MARCH 2025 Up-to-Date as of April 9th

Support Address: FBMI, Missionary #68 Robert Wilson, 507 State Street, Hammond, IN, 46320

Dear Praying Friends,

We invite you to rejoice with us for God’s continued blessings on our ministry. Our routes are thriving and consistently bringing new people. Also several new people have come on their own, who have found us online. Our four churches are doing well. We are seeing many saved and new members added. We are also preparing for a great Easter service in our main church and are expecting many visitors to accompany us. May Christ be magnified!

I would like to report on our fourth church, Mision Bautista Belisario that is pastored by a man reached through our ministry, Jonathan Avalos. The church meets in the house of one of his members and has been growing and doing very well. Please pray for wisdom and guidance for Brother Jonathan, his family, and his ministry.

Bro. Jonathan's Church

Last month, one of our men, Juan, was attacked in the street by several men. They were severely beating him. By divine intervention, the police passed by and prevented him from being killed. He was sent to the hospital, and the doctors sent him home saying there was nothing else they could do for him. He lay for three weeks in a semi-comatose state. His wife had decided to send him home to his mother where he could die in peace the following day. However, the next day he woke up. This is a testament to the power of prayer as several of our church members were praying. Please pray for Juan’s full recovery.

I was out soul-winning with one of our senior saints on one of our routes a few weeks ago. While I was witnessing to a young lady in her doorway, two men pulled up behind me on a motorcycle. I thought nothing of it, so I continued with the plan of salvation. Suddenly I felt something to the back of my head. Once I realized it was a gun, I begrudgingly raised my hands. The man proceeded to rifle through my pockets taking my house and church keys, my car keys, my cell phone, and my wallet. They did the same with my calling partner. Then they drove off.

Thankfully we suffered no physical damage. I did notify my wife immediately about what had happened to be careful since someone was on the loose with our house and church keys and to bring me the spare set of car keys. This is our newest route and has produced several families in our main church. We continue to work in that area and have many people in church every week from that route. We trust in the Lord and continue to request prayers for our safety.

Please continue to pray for results as we consistently reach into new areas and seek new families. Pray for these new Christians to stay faithful and true. Pray for wisdom for our family as we work to grow and disciple our converts. We are praying for you.

Sincerely,

Robert Wilson
