PRAYER LETTER FOR APRIL-MAY 2025 Up-to-Date as of June 12th

**Support Address: FBMI, Missionary #68 Robert Wilson,
507 State Street, Hammond, IN, 46320**

Dear Praying Friends,

We thank the LORD for His blessings upon us these past months. Our churches have seen many saved, new members added through baptism, and more people disciplined. We have also had many saved in our door-to-door soul-winning, and preaching in the street. Amen!

A few weeks ago, I took several of our members to an untouched area for a street meeting. We arrived at the new area and spent about an hour announcing the meeting out in the street. To God's glory, 40 people came, and I preached the gospel to them. This area is close to one of our routes, and we plan to keep working there and incorporate it. We hold many street meetings in many parts of the city, and it is always exciting to see how the LORD blesses these outdoor meetings.

Street Preaching

Me with Juan and his
Wife

I had mentioned one of our members Juan in our last letter. He was severely beaten on the street and was rescued by the police. Juan is doing much better now and has even returned to church. We still do not know why he was attacked, but we are glad to have him back in the church services. His story is a testimony of the power of prayer, and the need of our prayers for safety.

Luke 14:23, "And the lord said unto the servant, Go out into the highways and hedges, and compel them to come in, that my house may be filled." My wife and I both pick up van routes for our main church, and I pick up another route for our second church. We both have new families hopping on board consistently. I have been involved in this ministry since way back in my college days. During deputation, I helped some churches with their routes. I also helped Pastor Ashcraft on his routes when we first arrived in Mexico. I have been involved in the routes here in our main church for 20 years now. Praise God!

My Route

Bro. Serafin

We also have many members now that help us with this ministry. Brother Serafin is one of many faithful workers who has helped me many years on the various routes we have started. He is a widower that faithfully devotes his Saturdays and Wednesdays to help me visit the routes, and then pick up and drop off on Sundays.

My wife has also recruited a team of workers for her route. We now have many involved in this ministry. May the LORD continue to bless these faithful servants.

My Wife's Route

Please pray for our new converts who are completely new to christianity. Pray that our 4 churches continue to grow. Also, pray for our safety. We are praying for you.

Sincerely,
Robert Wilson
