PRAYER LETTER FOR DECEMBER-JANUARY 2026 Up-to-Date as of February 10th

**Support Address: FBMI, Missionary #68 Robert Wilson,
507 State Street, Hammond, IN, 46320**

Dear Praying Friends,

We praise the LORD for His blessings upon our churches. Since our last letter, dozens of people have been saved through our various ministries, and new members have joined by baptism. Our churches are going strong, and so is our Christian school, Wilson Baptist Academy. Glory to God!

Christmas Service

In December, we held our annual Christmas service. We enjoyed a holiday meal, special music performed by our young people, and gave toys to all the children present. Our main church was packed, and many new families attended. I preached a clear Gospel message, and during the invitation our soul-winners personally dealt with the visitors. Many received Christ as Saviour, and we were all blessed.

We also launched a brand-new van route for the Christmas service. The family leading this route is Diego's family—the man we mentioned in our last letter who had been in a coma. Several members helped on the Saturday before the service, passing out fliers, inviting people, knocking doors, and soul-winning. On Sunday, Diego's family brought 20 visitors, many of whom made a public profession of faith in Christ. Please pray for this new route and for Diego's family as they serve faithfully.

Diego's Route

In January, two men reached through our ministry came to preach in our main church. Brother Jonathan and Brother Arturo delivered inspiring and memorable messages. These men have been a great encouragement to me personally and an inspiration to our members. They have truly grown in the Lord, and we are proud of them.

“No weapon that is formed against thee shall prosper ...”

Last Saturday, while visiting with several workers on my route, one of them shared a prospect's number, which I registered in my phone. While I was still looking at my phone, a large piece of wood whirled past my head, missing my face by just a few inches. A man was coming at our group, throwing things and shouting. After a few minutes, he left. No one was hurt, but this was a solemn reminder of the need to pray for our safety.

My Route

Please pray for wisdom for me and the men who pastor here with me. Pray for these new believers as they adjust to their new lives in Christ. Pray for us as we battle centuries-old strongholds in this city. Know that we are also praying for you.

Sincerely,

Robert Wilson
