

September 2024

Dear Prayer warriors,

We sent a short video to a new 2 yr. old church plant in [Huaraz](#) (where we first lived in Peru). I hope you can open it by clicking our photo to the right (or clicking the separate .mov video.)

Debbie and I have made a couple of trips to [Ica](#) this year. It is about a 4-5 hour drive to get there. Missionary Yuller Villaseca and family have moved there to start a new church in [Tierra Prometida](#) just over a year ago. Just a couple of weeks ago I preached six mes-

sages in three days on Faith Promise missions. He was thrilled when the people responded more than he had expected. It was their very first missions conference. I remember when i held the Fir st Baptist Church's first mission conference ever, where I was pastoring in [Geneseo](#) IL. Four years later, we became a missionaries and that church has sent faithful monthly missions support to us for over 40 yrs. now. ¡Praise the Lord for using Faith Promise in so many churches worldwide!

BTW - Pastor Saul leading our church plant in La Molina, baptized 10 about a month ago. The [Bible Baptist Church of La Molina](#) faithfully supports monthly both church plants in Huaraz and Ica, mentioned above.

**Thanks for your Faithfulness in 2024!**

Just think what we can do together,

Max & Debbie
