

August 2025

51st Anniversary

Informing our Prayer Warriors,

Another change of plans, a broken tooth needs a crown (Aug. 20th) and the dentist found two other crowns that need replaced. Also, today our doctor got me an appointment with a heart specialist for August 26th, no problems to date - just a preventative measure for now.

Therefore, we have changed our return to PERU date to October 6, 2025.

At Harmon Reunion

We still have many things to accomplish at our house here in Amarillo. Please pray we can get both showers remodeled soon, and the kitchen brought up to date as well. A group has volunteered to come in late August to help with the kitchen by removing wallpaper, adding texture, and repainting everything (including the cabinets).

Recently we celebrated our newly wed grandson's (Adam) birthday at a restaurant with his new wife (Kristen) of one month, and his Dad, Pedro.

Ministry News

We have been reporting back to a few churches nearby here in Texas. We have not scheduled to be in any churches for these next 2 months because the original plan was to be back in PERU. So any invitations within driving distance of the Panhandle of Texas will be accepted in the order we receive the requests just [call](#).

In Peru, a new building improvement Project Peru request for \$10,000 will be approved soon. Also pastor Beder reports that the Pueblo Libre mission church continues to see new people come.
