Dear Praying Family & Friends,

February 2023

The picture above is me with our Bible students and two of our graduates that are now pastoring. Our ten-day ministry trip back “home” to Laos was wonderful. Both Denise and I had a wonderful time preaching (actually, I did the preaching), teaching, and counseling, as well as a lot of tremendous food and fellowship with our dear friends and fellow laborers.

I had the opportunity to teach our Bible students for 24 hours on this trip, as well as preach a combined service, preach for three different churches, including an Anniversary Service of our long-time, dear friend and fellow-laborer, Pastor “K.”

One of the hi-lights of the trip was Denise and I treating five pastor friends (four of them men that I had the opportunity to teach as Bible students) and their wives to a very nice meal. In addition to this, Denise and I had lunch or dinner dates with a handful of others – including our Bible students.

While we were in the country on this trip, we were only there for one Sunday. Two of the churches had a total of six saved and fourteen baptized on that one Sunday. Unfortunately, I could only be in one place at a time.

PLEASE PRAY THAT GOD WILL BRING FRUIT FROM OUR RECENT TRIP TO LAOS!

SPECIAL PRAYER REQUESTS:

****Please pray for our new Friday Teen Nights***

****Please pray for our new Sunday Afternoon Program***

****Please pray for our upcoming Annual Outreach at Puchi Fa***

****Please pray for our upcoming Pastors' and Church Leaders' Conference***

As always, Denise and I would like to thank you for taking the time to read our Prayer Update, for supporting us financially and with your prayers.

We appreciate your friendship and your support!
