

March 2023

Dear Praying Friends,

We are so thankful for the Lord’s goodness and faithfulness. We have enjoyed another month of serving the Lord here in Guyana. February flew past! We were kept busy by a rambunctious one year old and our involvement in Bible clubs, bus route, Sunday school, Bible college, soul-winning and language study.

We will soon complete one year of interning with the Shrivnauth family and Victory Baptist Church. We have also had opportunity to be involved with New Life Baptist Church, a brand-new church plant, pastored by missionary Robert Woodard. The various opportunities presented to us while serving in both churches have enabled us to gain valuable experience and insight into the culture. We have had opportunity to personally disciple a couple saved out of background of Hinduism and Islam as well as to witness to many more still lost in these religions. Many have trusted Christ! We are so thankful for this experience and trust that it will equip us to be better prepared for our future ministry in Suriname.

As we approach one year in Guyana we eagerly look forward to the next phase of our ministry in Suriname. We ask that you please pray with us regarding our Suriname visa. We have submitted a mountain of paperwork and are waiting for a response. The process can take up to 3 months to receive a response. We recently met and spoke with a missionary family that received their Suriname visa in 2 months. We are praying that our visas will similarly be processed and approved quickly. We prayerfully plan to make the move to Suriname in August once the baby has arrived and all other paperwork, such as passports, are in order.
