*Praying friends,*

Exciting News

We are thrilled to announce that **we are expecting a baby girl!** Hope Amelia Mariner is expected in mid-February. We are thankful that Emily and the baby are healthy and everything is looking great. After much prayer and counsel, we have decided to have the birth at the local hospital. We appreciate your prayers for a healthy pregnancy and delivery! We have registered on Amazon, and you can find the registry by searching Emily Mariner on Amazon or scanning the QR code. Any gift is appreciated but not expected.

Upcoming CONNECT Trip  
Christmas Children's Outreach

Exciting Opportunities

We would like to share an exciting opportunity with all of our ministry partners and supporters. We will be hosting a medical evangelism trip in partnership with BIMI Connect in August of 2025. Registration is already open. The trip is NOT limited to medical professionals! There will be many opportunities for anyone willing to help to serve. This med-evangelism outreach will be held in conjunction with local churches and will help to boost our upcoming church plant. Please consider taking this opportunity to visit Suriname and to participate in missions on a greater level. For more information, please visit [www.bimi.org/connect](http://www.bimi.org/connect).

We are preparing for a children's evangelistic outreach as the Christmas season approaches. We plan to utilize the Christmas season to share the gospel with the families in our community. We are praying that from this outreach we can start a weekly children's Bible club. We hope in time to reach the parents and families of these children.

Exciting Possibilities

We appreciate your prayers and giving that make our ministry possible!
