

# The *Hall* Family

December 2022

Dear Praying Friends,

December found us finally getting back to our sending church after three months on the road and overseas. It was good to sleep in our own bed for a couple of weeks. We had a meeting in Oklahoma and one in Missouri to present BEST Missions. Thankfully these were close enough that we were able to travel back and forth and sleep in our own bed.

Thank the Lord churches in Thailand can get back into public schools for Christmas outreaches. I know of several churches that have held these. Every student receives a Thai John and Romans as well as a Gospel tract. Please pray for these outreaches. Thousands of young people and their teachers will be presented the Gospel. Before everything shutdown, BEST Missions used to send tens of thousands of John and Romans to churches in preparation for these outreaches. We are anticipating this to be the case again in the future.

Thank you to those who have sent to help Tan with his car engine after the flood this fall. BEST does not have a vehicle that is designated to deliver Scriptures, so we are thankful to Tan for using his personal vehicle when needed. If you would like to help with this, please send the check or funds with the memo: Engine costs.

Another \$10,000 was given towards the first Bible for a creative access nation. This is a project that we won't start printing until mid-next year. The cost of layout, formatting, and printing is expected to be around \$100,000. So far, we have raised about 17% of the cost.

In 2022, we were blessed to be with 45 different churches in the US as well as Thailand and Nigeria. I preached at two different Bible colleges and helped in three different Pastor's Conferences as well as numerous Missions Conferences in the US and overseas. BEST was able to ship five different containers of Scripture in 2022, three to Thailand and two to the Philippines. Our 39th container of Scripture is supposed to be loaded on January 3rd. Pray there are no delays. I was blessed to be a part of 27 people trusting Christ as Saviour in 2022 with four that I know of following the Lord in believers' baptism.

So far for 2023, the Lord is filling up our schedule with two different trips planned for Thailand, one to India, and one to Nigeria as well as quite a few meetings in the US, for Missions Conferences. I have several openings in August if anyone would like a report.

Thank you for your prayers and support for us and BEST Missions!
