

The *Hall* Family

April 2023

Dear Praying Friends,

April started out with Amber and I in meetings in Missouri and Kentucky. We finished out April with reporting to a church in Indiana and a Missions Conference in Illinois. In between all those meetings, I traveled to Nigeria, Africa, and spent 15 days with Missionary Mark Holmes.

I arrived in Nigeria on Good Friday and was honored to preach at both churches Bro. Holmes has started in the capital city of Abuja. On the 10th, Bro. Holmes kicked off their 14th Soul Winning and Leadership Conference at Truth Baptist Church in Abuja. There were 37 churches registered for the conference, over 40 different Pastors, Evangelists, and Missionaries as well as 40 Seminary students. Quite a few church members from the 37 registered churches came as well. The church building was so full each night that there were people outside the building listening. I shared the pulpit and teaching sessions with Bro. Holmes, Assistant Pastor Justin Nenge, and Pastor Ken Shinn from Mississippi. There were many decisions made by those in attendance and six men surrendered to preach. BEST Missions was able to help supply every Pastor with a two-volume set of Sunday School lessons provided by Pastor Scott Baker of Faith Baptist in Belleville, IL. I was also able to present a leather Bible to the five young men who will be graduating from the Seminary.

After the conference in Abuja, Bro. Holmes and I traveled to Aba, Nigeria, to conduct a Soul Winning and Leadership Conference for Pastor Chibuikwe and Faith Baptist in Aba. There were 15 different churches registered for the conference. There were several visitors who came on Sunday who trusted Christ as Saviour, seven of those were adults. At the close of the conference on Tuesday night, there were four more adults who trusted Christ as Saviour.

Missionary Daniel and Erin Lang hosted me in their home again for this trip. I greatly appreciate them helping me adjust to the weather and other conditions in Nigeria. I recorded the inside temperature at one point in their home at 94 degrees! All the missionaries working with Bro. Holmes I would recommend but I have had the opportunity to stay and observe the Langs in a private setting, I highly recommend them if you are looking for a missionary family.

I would like to invite you to come be a part of our 2nd Midwest Regional BEST Missions Bible Conference at Landmark Baptist Church in Evansville, IN, May 8th & 9th.

Thank you for your prayers and support for us and BEST Missions!
