August 2023

Dear Praying Friends,

It is exciting to see what the Lord is doing to get His Word out around the world and especially in Southeast Asia! We are very blessed to have a copy of God's Word and to be a part of BEST Missions.

We finished out our meetings in the North Dakota and Minnesota area the first week of August and made our way back to Rogers, AR. This was our first time to be "home" since April first. We had a lot to unpack from the car after four months of living on the road and international travel. On the twelfth of August, my mom threw a surprise birthday party for my dad who turned eighty on the thirteenth. I was glad we were able to be there to celebrate with them for a couple of days. Our meetings this month have been close enough to Rogers for me to be able to travel to and from within a few hours. During the weeks, we have been working to get ready for the sixth annual BEST Missions Bible Conference at our sending church, Colonial Baptist in Rogers. This is always a highlight every year! From the number of pastors and others who have contacted us, there will be another great crowd again this year. We will be highlighting the creative access nation Bible project we are working on. Amber and I had the joy to be in that country this past June and meet many of the national pastors whose churches will be receiving these Bibles. We hope you can attend the meeting or will consider helping us with this project. Tan Juntasung, the young Thai man who is the Southeast Asia distribution manager for us, shipped 10 of these "demo" Bibles to us to have at the conference.

Speaking of Tan, he got engaged earlier this month to a young lady named Pim, who is a part of the church he is on staff at in Hua Hin, Thailand. We are so very thankful for the Lord bringing them together. They plan to get married on February second of next year. Of course, Amber and I plan to be there!

We had already made the decision when I was in Thailand this summer that we needed to purchase a small pick-up truck for Tan to use to deliver Scriptures. He has been using his personal vehicle, which is a Honda Accord. You can't put many cases of Scripture in an Accord. Now with adding a wife, he will need it even more. We are planning to purchase one from an American missionary that has taken very good care of it. He is going to use the funds for his upcoming building project. The cost of the truck is \$10,000. We have already been able to raise \$1,000 of this. Please pray with us about this need.

Thank you for your prayers for us and BEST Missions!
