December 2025

Dear Praying Friends,

December 1st found me traveling to a creative access country south of Florida. While there I participated in a Pastor's Seminar for national pastors. It was humbling to meet these men who are faithfully serving the Lord under the hardships that they endure. On our last full day in country, there was a crash of the power grid for the whole country. We spent almost sixteen hours without power. There is an allotment for fuel according to your last name. Resources are very scarce there. Please pray for these men!

I arrived back in the states and within a few days repacked for a trip to Southeast Asia. From the onset of trying to take that trip, it seemed that we hit one roadblock after another. Bro. Bob McQuery of Worldview Ministries and Pastor Stephen Russ of Faithway Baptist Church in Evansville were accompanying me on this trip. After spending a day and a half in airports with canceled flights, rebooked flights that were rebooked wrongly, and nothing going our way. We took it that the Lord was stopping the trip for reasons known only to Him. We trust His direction. I have heard it said that God not only directs our steps, but He also directs our stops. Pray as we are working to reschedule this Pastors Conference.

On December ninth, Bro. Sam Martin of World Missions Bearing Precious Seed loaded our 48th container of Scripture for us. This container holds 238,472 Thai John and Romans which will restock us from the Christmas Christian Outreaches in the public schools in Thailand. Tan had the opportunity to take part in some of these. He reported that many heard the true meaning of Christmas for the very first time. Thank you to everyone who helps make this possible! This is fruit to your account.

Throughout the month of December, BEST Missions was able to distribute in Southeast Asia, 503 whole Bibles, 38,600 John and Romans, 3,136 New Testaments, and 40,600 Gospel tracts. BEST Missions was also able to get some Bibles in a tribal language to some churches in a creative access country in Southeast Asia. Again, thank you to everyone who helps make this possible! You are laying up treasure in Heaven.

In 2025, we received or published 899,320 John and Romans, 12,629 whole Bibles, 20,961 New Testaments, and 24,000 Gospel tracts. Thank you to everyone for your help, prayers and financial support this past year. We look forward to seeing what God will do in 2026.
