Dear praying friends,

I hope this email finds your month of October going well.

With it being "missions conference season" back home, I put together a brief video (with pictures) giving an update as to what is happening for the Turner family in the Pearl of Africa. We are very excited for the #NextStep next month as we move to Kasese and begin learning the "village way" of doing ministry.

I have attached the Google Drive and Dropbox links for both WMV and MP4. Hopefully that helps everyone. :)

Thank you for your prayers and faithful support!!
May God continue to bless you as you continue to serve Him!!
