

Dear praying friends,

March 2025

We have reached the birth month of our daughter! Abbey and I would like to say THANK YOU to all our supporting churches and prayer partners who have joined us in praying for this specific request. The excitement continues to build as we patiently anticipate the arrival of the fourth member of our family. Abbey's home church in Greenwood, IN, is allowing our family to stay in the house adjacent to the church property for the remainder of our time in the States. It has been a blessing to have some extended time with Abbey's family and to also rub shoulders with the members of Greenwood Bible Baptist Church.

This past month, Carson and I drove to Berne, IN, to attend a meeting at Faith Baptist Church. Pastor Ryan Marsh and his wife Marcy are furthering a godly legacy started by Doug Rogers and continued by Travis Combest. God has a special way of making connections among those who do His work. Pastor Doug Rogers is currently the pastor of my parent's home church in Adrian, MI, where my grandmother still faithfully attends. The Marsh's and Faith Baptist Church have been a tremendous blessing to our family, and we are grateful for the bond that we were able to make while on deputation in 2019. Before the service, Carson and I were able to tour the Amish Country Popcorn facilities owned by Bro. Brian Lehman. If you have never tried the amazing AC Popcorn, you need to order yourself a box!

While we are spending extra time in the States, our hearts are very much still in Uganda with the many people whom we have built relationships. Daily, Abbey and I are both in communication with national pastors, their wives, and other men and women in the two churches that we attended in our first term. Despite the thousands of miles that separate us, I am thankful that God has furthered the technological advances to enable us to stay connected with our friends.

Please pray for the following requests in the month of March:

- 1. Abbey's pregnancy.** (*C-section date: March 18, 2025*) Thank you for praying for mom and baby girl. Lord-willing, our new baby will be arriving in just a few days!
- 2. My father's health.** Please continue to keep my dad, Pastor Ben Turner, in your prayers. He is still dealing with neuropathy in both legs and feet and needs miracle healing from the Lord!
- 3. Carson and Abbey's schooling.** Carson will be finishing 1st grade at the end of the week, and Abbey has only three classes to complete in her master's program through Crown College.
- 4. The future church plant in Fort Portal.** Our prayer is that God would open the necessary doors, prepare the hearts of the people, and give us wisdom as we embark on our first church plant later this year. We are very excited to take this next step and put to action what we have learned in our first term of ministry in Uganda. God will have to be the ONE who enables us to accomplish something great for the cause of Christ!
- 5. More people to surrender to worldwide missions.** While the need for more laborers in North America is still great, we also need more laborers to surrender to be used of God around the world.

Your faithful servants in Christ,
Caleb, Abbey, and Carson Turner
