“The people which sat in darkness saw great light; and to them which sat in the region and shadow of death light is sprung up.”

MATTHEW 4:16

October 2023 Volume 8 Issue 5

Dear Pastor and praying friends:

We are in our Summer here as the temp is in the 90's and rising. We had a wonderful time surprising our children; we informed the children that I needed to travel 8 hours to the capital to pick up some bins with school and other things that had arrived for us. We couldn't all go because we needed space for all the bins. I and my in-laws came the day before Deacon's 9th birthday in the evening. It was a wonderful surprise, most definitely seen on the children's faces.

During the visit, my father-in-law, Bro Matacheria, and I taught a three-day Bible school in the village ministry and saw 23 men in attendance. We taught lessons on Your Testimony, the Word of God, The Local Church, Sanctification, Baptism, and the Charismatic Movement. These lessons were all essential as each affects the men daily out in the village. We had planned on four days for the school, but someone passed away in the village on the third day. We had to cancel the last day because the whole village came together for the funeral, and everything stopped in the village.

Lorin and I had the great privilege of celebrating our tenth wedding anniversary. We went out for a nice meal together and reflected on what God has done in our lives and how He has used us thus far. Thank you to all those who send Anniversary and Birthday Cards, whether through Email or Snail Mail; we greatly appreciate you all.

Hope Bible Baptist Church will be having our first baptismal service and Charter service on the 19th of November. We have been holding services for about 16 months and have seen 30 core people unite as God builds this church for His glory. We are currently averaging 60 every Sunday. Please continue to pray for the growth of those who have received Christ and for the reception of the Gospel by those who have yet to make a profession of faith.

Language Acquisition: We recently went back over some material that we went over months back to refresh our minds on the different structures of the Chewa/Nyanja language. This is just one part of learning the language here, as we try to use what we know daily and learn new words.

Thank you all for your continued support, prayers, and Love. We would not be able to go first without the Lord and second without all of you.

In Christ's Service, The Norris Family.

Needs:

The needs mentioned in the previous letters have been covered by the generous giving of several of our churches. Thank you very much. The children are enjoying their school, and the vehicle is driving a lot smoother with the repairs that we were able to complete.

Thank you

I Thessalonians 5:25 “Brethren, pray for us.”

Prayer Requests:

- For God to open the door to Mozambique through an invitation into the country if His will so allow.
- For our ability to learn quickly as we have started studying Chichewa.
- For us to be a blessing to those that we are working with in Zambia.
- For the People of Mozambique and Zambia that God would work even now in the hearts and lives of the people to prepare them for the Gospel.
- For God to provide for our every need.
- For our continued good health.
- That our Spiritual lives will remain close to God, for us to grow each day closer to him, and not stray from His will or be caught up in the snares of the Devil.
- For our raised support that it will continue, and that God will bless our supporting churches.
