March 2025

Volume 10 Issue 2

Dear Pastor and praying friends:

The new church plant in Katete is going very well. It is called the Sunrise Bible Study for the time being until we have the official number of people who need to register as a church. Once we have 10 nationals who have been saved and committed to coming to the church, we can register with the government. The government doesn't require them to be saved and committed, but we, of course, biblically require that Salvation and Baptism be a necessity to join the church.

I have been teaching, on average, 10 adults; we have been going through the Bible on every verse that mentions "Repent" or a derivative; the people are surprised that repentance is not what they thought or have heard in other churches. When asked what repentance is, the responses were, "To confess your sins," "To beg for forgiveness," or "To stop sinning and start doing good works." They were shocked when we read verses like Jonah 3:9-10, Jeremiah 26:13, and Psalm 135:14. God repents? What?

Please pray for those attending that they will understand the biblical form of repentance and turn from their sins to Christ as their Savior.

Meanwhile, Lorin is teaching about 40-50 Children every Sunday; pray for these Children, as they may very well be the future of what will become Sunrise Baptist Church. We are very grateful that God has blessed us with Eddy and his wife, our primary helpers in this new work. Eddy will translate for me until I become fluent in the local language, and his wife will help Lorin with the children. They both have received Christ as their Savior, been Baptized and are continually being disciplined.

If you would pray about coming and visiting to help establish this new church, please contact me at the number listed below.

Pastor, if you would like to speak with me further about anything in our field change letter, please call me at (805)291-9249 using WhatsApp or Signal or send me a message.

In Christ's Service, The Norris Family.

I Thessalonians 5:25 "Brethren, pray for us."

Prayer Requests:

- For our ability to learn quickly as we are studying Chichewa.
 - For us to be a blessing to those that we are working with in Zambia.

- The new work of planting a new church.
- For the People of Zambia that God would work even now in the hearts and lives of the people to prepare them for the Gospel.
- For God to provide for our every need.
- For our continued good health.
- That our Spiritual lives will remain close to God, for us to grow each day closer to him, and not stray from His will or be caught up in the snares of the Devil.
- For our raised support that it will continue, and that God will bless our supporting churches.

Please Take Note that we have a
